

Technical difficulties arise with all this story telling

Written by Administrator
Friday, 13 September 2013 11:52 -

Dear Visitors: We are experiencing some technical difficulties with the site, most of which are cosmetic but still, annoying. Please keep coming back as we send our most able geeks into the back of the house to sort out the problems caused by the error-prone Administrator, me.

Yours in vivo,

Franklin Crawford

Error Prone Administrator
