

The Roostosterone Problem

Written by Administrator

Tuesday, 02 November 2010 19:24 - Last Updated Tuesday, 02 November 2010 22:05

My feral brother William spent several of his younger years on a rooster farm in the Florida swamp, so the year I first raised chickens at Dog's Plot and the roosters became a problem, I brought William here, to try and get them under control. See here, with video and free popcorn: <http://dogs-plot.blogspot.com/2010/11/rooster-problem.html> {youtube}DqGTdNhOFol{/youtube}
