Tiny Tonw Times Animal Relocation Unit Alert: LOCAL HUSKY NEEDS NEW HOME!
From Katie Spallone, SNR Chieftess Supreme: "Hey all, my friend Miranda needs to find a home for her adorable and sweet 5 yr. old husky "Maci" *asap*

Miranda has a new baby at home, and Maci isn't too happy about her displacement. I'm trying to help find Maci a good home quickly. Please contact me on FB (Katie Spallone katiespallone@gmail.com) or text Katie at 279.6236 to help Miranda avoid having to list this on Craigslist. It would be nice if Maci went to someone loving and reliable and local. She's good with other dogs, but not cats."

From Izzy the Husky Doggins, rescued by Katie:

PLEASE HELP MY FRIEND FIND A HOME!!

If there is anyone out there that loves huskies and knows the ins and outs of owning one, PLEASE help my friend Maci find a new home. Her parents had a baby not too long ago and she's feeling a bit nervous and anxious and has started acting out a bit. Maci needs a home that can have other dogs, but no cats or kids. Please share this and see if we can find her a really good forever home. She looks a lot like me, doesn't she?? I wish she could live with us, but our cat Primo wouldn't be too happy.

My mom said i could post her email and phone in case you want to talk to her: 279.6236 katiespallone@gmail.com

You could also talk to Maci's mom (Miranda) at 280.8056. Thank yoooo-woooo-woooooo."
